MEDICATION ORDER TO CARRY PRESCRIBED/ OVER THE COUNTER MEDICATION

INSTRUCTIONS TO OBTAIN APPROVAL FOR A STUDENT TO CARRY PRESCRIBED / OVER THE COUNTER MEDICATION

For online forms: *http://sbo.nn.k12.va.us/healthservices/medications.html*

These requests are exceptions to School Board policy JLCD and must be approved.

1. ***Parents will submit the following forms***:
   a. ***Request for Approval for Students to Carry Prescribed Medication*** *(completed by parent)*
   b. ***Responsibilities of Student and Parent Requesting Exception to Category BSC and BESO in the Rights and Responsibilities Handbook (Category BSC: Behaviors that Present a Safety Concern and Category BESO: Behaviors that Endanger Self or Others.)***
   c. ***Medication Release of Liability form***
   d. ***Medication Order*** *(signed by the medical provider and must indicate the student needs to carry at all times)*

   All forms must be in order and signed.

2. *The principal will be advised of the request and determine if there are any circumstances which interfere with the approval of the request.*

3. *The school nurse will complete an Emergency Care Health Plan as appropriate.*

4. *The Registered Nurse (School Nurse) will review the request and contact the prescribing physician if indicated.*

5. *The Health Services supervisor and the school medical advisor will be contacted if there are any questions about approval.*

6. *Parents of students who will self- administer medication should contact the school nurse. The school nurse will discuss safety precautions, as indicated, with the principal, parents, student, teachers and other school personnel regarding students who carry prescribed medication. Students who carry any medication should be trained how to administer it and understand when to seek assistance. The registered nurse may require a demonstration.*

7. *The parents will sign a form assuming full responsibility and releasing the school of liability.*

8. *The school's registered nurse and principal will sign approving the request.*

9. *Approval will be effective only for the school year (including summer school) in which it is signed and must be renewed annually.*

RESPONSIBILITIES OF STUDENT AND PARENT REQUESTING EXCEPTION TO CATEGORY BSC (Over the counter medications) AND CATEGORY BESO (Prescription medications)

(Request to Carry Prescribed/Over the Counter Medication on One's Person)

I request my son/daughter ______________________________________carry the following prescribed medication: ____.

I have read Category BSC and Category BESO which state:

> ***Category BSC****: Drugs: Violating school board non-prescription medication policy and look-alike drug policy. Alcohol: Distributing alcohol to other students. Drugs: Possessing drug paraphernalia*
>
> ***Category BESO****: Drugs: Possessing controlled substances, illegal drugs, inhalants, synthetic hallucinogens, or unauthorized prescription medications. Drugs: Being under the influence of controlled substances, illegal drugs, inhalants, synthetic hallucinogens, or unauthorized prescription medications Drugs: Using controlled substances or using illegal drugs or synthetic hallucinogens or unauthorized prescription medications. Drugs: Distributing controlled substances or prescription medications or illegal drugs or synthetic hallucinogens or alcohol to other students.*

I understand that approval of this request does not release my son/daughter from penalty if he/she misuses this exception. For example: knowingly taking medication improperly, giving medication to another student, or failing to report another student who tries or is suspected of trying to gain access to the medication.

I understand the penalties for misuse of this exception will result in student discipline equal to those violations of Levels 3-5, including a short-term removal from to school to long-term suspension or expulsion.

I have read, reviewed and explained this information to my son/daughter. We understand the rules and penalties for misuse of this exception. We acknowledge the responsibilities incurred by the granting of this exception.

MEDICATION ORDER

It is best for students to take medication at home. When this is not possible, Newport News Public Schools will cooperate in the administration of medication during school hours. **Orders are required for all prescription and over the counter medications, supplements and herbal remedies.** The asthma action plan is on the reverse of this form.

1. Medication orders are valid for the **current school year** in which they are written. New orders are required each school year. Daily medication orders must include a specific time ("lunchtime" is not acceptable as lunch varies from 10:00 a.m.-1:00 p.m.). Provider and parent signatures are required.

2. Prescription medications must be brought to school by the parent or guardian in the container labeled by the pharmacy. Over the counter medications such as Tylenol, Motrin, etc. must be received in the original, unopened container. Expired drugs will not be given. Any medication remaining on the last day of school must be picked up by a parent or it will be disposed of.

Student Name: ____ Birthdate: ________________

Diagnosis: ____

Date of Order: ____

Medication: ____

Dosage: ________________ Time: □ Daily @ ___________ OR □ PRN every ______ hours

Effective Dates: □ Current School Year OR □ Short Term - From ________ To __________

Duration cannot exceed current school year.

Comments: ____

_____ Student needs to carry this medication on his/her person at all times, has been trained by medical provider on how to use, and understands when to seek assistance.

Medical Provider's Signature: ____

Print: ______________________________________ Phone Number: _____________________

I request that the school give the above medication as ordered by the provider. I give permission for the school nurse to contact the medical provider if indicated to carry out this order.
