

# Return to Learn Selection PVUE Web and App

Learning for all Newport News Public Schools students will be conducted virtually for the first nine weeks of the 2020-2021 school year (September 8- November 2). NNPS will continue to monitor COVID-19 trends so the School Board can make an informed decision about the second nine weeks of school. Survey data indicates that some families prefer a virtual option for the entire first semester of the school year (September 8-January 27), regardless of COVID-19 trends. If a full semester of virtual learning best meets the needs of your child, please select "Option 2: Virtual Learning-Semester (September 8-January 27)" below. Otherwise, please select "Option 1: Virtual Learning-9 Weeks (September 8-November 2)". Please complete the information below by August 17, 2020. If you do not make a selection below, your child(ren) will be placed in virtual learning for the first 9-weeks. Thank you for your continued support as we work together for a successful year of learning.
