Accreditation

CAEP accreditation provides an assurance that the institution's teacher preparation program has met national standards and has undergone rigorous external and impartial review by professionals, policymakers, and representatives of the public.

Legislative Change

Allowing alternative
pathways for
certifying Virginia
teachers

HB 2486

The bill requires the Board of Education to develop guidelines that establish a process to permit a school board or any organization sponsored by a school board to petition the Board for approval of an **alternate route to licensure** that may be used to meet the requirements for a provisional or renewable license or any endorsement.
