

Job Description

Job Title: Records Management Specialist I

Position Code: UN33

Job Classification: Non-Exempt

Supervisor: Records Manager

Pay Grade: 19

Contract Length: 245 Days

Job Summary

Position is responsible for compiling, maintaining and processing student educational records. Assure compliance with local, state, and federal requirements for retention, release of, and disposition of records and effectively communicating with all schools procedural guidelines in accordance with the Freedom of Information Act (FOIA), Family Educational Rights and Privacy Act (FERPA) and Individuals with Disabilities Education Act (IDEA). Position is also responsible for providing current process, procedure and policy information to school and administrative personnel concerning the collection of enrollment information and data to be contained in a student educational record.

Essential Duties

1. Controls the access and monitors the use of all current and archived records in the Central Records Department and school offices.
2. Maintains entries into the Student Information Management System to monitor active/in-active student educational records.
3. Provides procedural information to schools and central administration concerning the proper collection, maintenance, security and destruction of the student educational record.
4. Assists in audit and evaluation of active student cumulative records at each school.
5. Assists in the preparation of materials for the record keeping manual.
6. Conducts annual training of records secretaries and registrars on compliance procedures for collection and retention standards set forth by the Library of Virginia.
7. Researches and compiles information from various sources for the purpose of validating transcripts, demographic data, medical records and other student information in preparation for electronic archiving.
8. Runs high volume document scanning equipment, indexes each record in the archival software (Laserfiche) and performs quality control inspections on electronic archived student educational records.
9. Compiles and maintains an accurate list of all student educational records which have been archived or are in the process of being electronically scanned.
10. Assists personnel from the Special Education Department with maintaining Part II records.
11. Prepares information and responds to requests from colleges, employers, authorized agencies and outside school districts' requests for student educational records or verification of graduation.
12. Responds to requests made by parents, current or previous students, school personnel, etc. regarding student educational record content.

(These are intended only as illustrations of the various types of work performed. The omission of specific duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.)

Other Duties:

1. Performs any other related duties as assigned by the Records Manager or other appropriate administrator.
