

Job Description

Job Title: Supervisor of Instructional Technology

Position Code: 1E57

Job Classification: Exempt

Supervisor: Chief Academic Officer

Pay Grade: 46

Contract Length: 245 Days

Job Summary

Under the supervision of the Director of Technology, this position provides leadership and direction by developing and implementing a strategic vision in all areas of instructional technology for NNPS. This person will collaborate with instructional supervisors, directors and executive directors to coordinate the delivery of instructional technology services and programs for all students, teachers and staff.

Essential Duties

1. Provide leadership and direction in instructional technology initiatives for the division.
2. Provide leadership in the integration of technology in schools
3. Promote the development of programs to enhance instructional technology management and improve K-12 instructional strategies through the use of technology.
4. Leads the development and expansion of all K-12 online learning programs through Canvas, Virtual Virginia, and other identified platforms including developing a timeline, budget, and implementation plan.
5. Works collaboratively with Curriculum and Development Supervisors and Specialists to ensure that virtual content and courses are appropriately vetted by subject matter experts.
6. Coordinates and initiates implementation and support of all digital resources including the expansion of the #GoOpenVa.
7. Assist curriculum instructional supervisors to evaluate and recommend curriculum and instructional materials and/or practices that promote authentic and relevant uses of educational technology tools and practices.
8. Coordinates efforts to design, develop and implement programs that monitor, analyze, and/or enhance division technology integration initiatives.
9. Work collaboratively with the Director of Employee Expertise and the Administrator Learning & Leadership Development Director to develop and conduct division-wide staff development for instructional staff and school administrators.
10. Develop, implement, and evaluate professional development to support instructional staff with successful and innovative strategies for classroom instruction and assessment as it relates to instructional technology.
11. Represent the school division in educational projects and programs at the local, regional, state, and national levels; coordinate and promote division-wide instructional technology initiatives and events.
12. Prepare, administer, and evaluate instructional technology budgets and policies of assigned programs.
13. Supervises Instructional Technology Coaches, Lead Instructional Technology Coaches and the Coordinator of Online Learning Systems for the purpose of evaluation, professional growth to achieve and maintain program integrity.
14. Monitors feedback from faculty, students, and staff to continuously improve educational technology uses and innovation and corresponding delivery methods.
15. Maintain oversight of the instructional technology and online learning programs.
16. Participate in division and departmental strategic planning.
17. Interview and recommend candidates to fill Instructional Technology Coach positions.
18. Serve as a point of contact between the Technology Department and the Teaching and Learning Department.

(These are intended only as illustrations of the various types of work performed. The omission of specific duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.)

Other Duties

Performs any other related duties as assigned by the Director of Technology.

Job Specifications

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required. Reasonable accommodation may be made to enable individuals with disabilities, who are otherwise qualified, to perform the essential functions.

Minimum Qualifications (Knowledge, Skills and/or Abilities Required)

- Master's Degree in Curriculum and Instruction or Instructional Technology related field
- Professional teaching license with endorsements in Administration and Supervision, Ed. S or doctoral degree preferred
- Demonstrated leadership and communication skills
